

Let's Play with Clay

In this class students will play with form, design, texture and all the creative fun that is clay. It is the perfect experience for all levels of learners, from beginners to advanced. Students will experiment with making pinch pots, practice coil construction and build slab form creations. By the end of the class, students will have 3-5 pottery pieces completed with food safe glaze. Imaginations will be sparked, and the creative possibilities are limitless. So come on, let's play with some clay!

Supplies required will be provided to the student by CSA and covered in the tuition cost.
